

Exhibition Panel 5: Deep-Dive Presentation Blueprint

Theme: *THE MOTHER TONGUE: MANUSCRIPTS TO THE ENGLISH BIBLE*

Physical Dimension: 48 inches x 32 inches (1/2 inch Plywood)

Core Narrative Focus: Tracing the dangerous historical line of transmission from ancient language source texts down through centuries of sacrifice to reach the common English speaker.

Part 1: Physical Workshop Construction Checklist

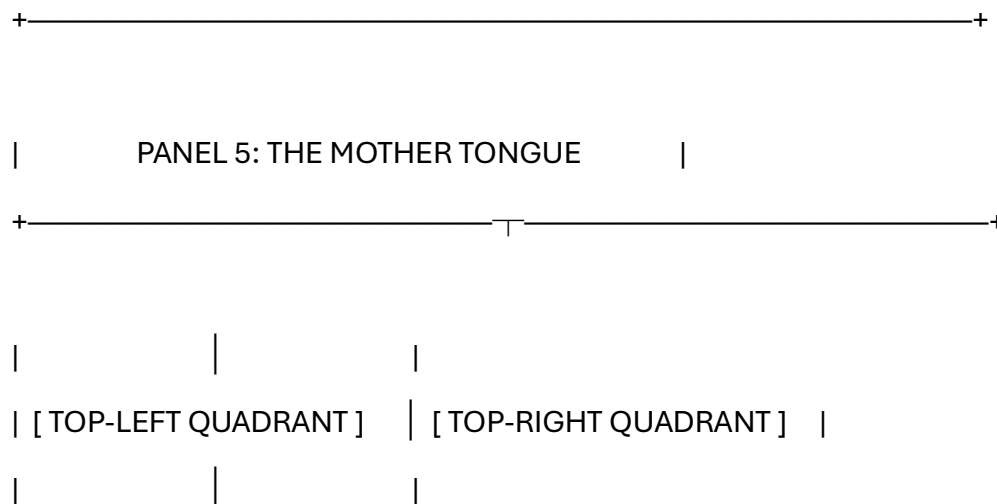

This block outlines exactly what you need to prepare, build, and mount in your workshop to bring this panel to life.

1. Material Logistics (What to Order)

- **Aged Paper Facsimile Page (The King James 1611 Leaf):** Look for a high-quality replica leaf from an original 1611 printing (readily available on antiquarian or replica sites). Look specifically for a famous page like Genesis 1, John 1, or Psalm 23. Ensure it showcases the iconic **Gothic Blackletter typeface**.
- **The Shadowbox Frame:** A clean, flat wooden document frame (11 inches x 14 inches) to protect the facsimile leaf and give it an authentic archival look on your plywood board.

2. Spatial Quadrant Layout (Where to Mount Things)

To prevent visual fatigue, organize your 48 inches x 32 inches panel into a clear reading flow using this spatial grid layout:

| Printed Text Module: | The Visual Centerpiece: |

| • Introduction | • 11x14 Shadowbox Frame |

| • The Latin Vulgate Block | • Original 1611 KJV |

| | Facsimile Leaf Print |

| |

| [BOTTOM-LEFT QUADRANT] | [BOTTOM-RIGHT QUADRANT] |

| |

| The Line of Transmission: | The Martyr's Printing: |

| • John Wycliffe's Work | • William Tyndale's Legacy |

| • The Latin-to-English | • The 1611 Authorization |

| Manuscript Timeline | • Dynamic QR Code Entry |
